Opinion Committee

The Honorable Dan Morales
Attorney General of Texas
Supreme Court Building
Austin, Texas 78711

Dear General Morales:

On March 22, 1991, we requested an opinion concerning whether audiology students at a college or university are required to obtain a temporary training permit from the Texas Board of Examiners in the Fitting and Dispensing of Hearing Aids in order to make ear impressions or earmolds. The file number on this request was RQ-59.

Because two bills were pending in the legislature that would have had a bearing on the resolution of this issue, William Walker, Assistant Attorney General, asked that we resubmit our request after the close of the 72nd Legislative Session if still deemed necessary. Senate Bill 842 and House Bill 2108 were not adopted, therefore, we are resubmitting this request for an opinion. Please refer to our original request. A copy is enclosed.

If you require any further information, please contact Linda Wiegman, Attorney, Office of General Counsel, Texas Department of Health at (512) 458-7236.

Respectfully,

Susan Gay Dorsett
